...for students entering year 7 to 10 in 2016
KINDLEHILL JUNIOR HIGH SCHOOL
PROGRAMME
YEAR 7/8

Education in the High School at Kindlehill can be likened to the bridge – a rite of passage from childhood through adolescence to adulthood.

What Kindlehill is for me?
“I love to learn.”
“Finding myself and teaching me about life.”
“A safe and loving, homelike environment in which to learn amongst friends.”
“Everyone gets a say. Your ideas get challenged.”
“No uniforms! Yay.”
“Amazing experiences, beautiful environment.”
“It nurtures my opinions and learning.”
“We have so many opportunities to find out what we want to become and support to help us achieve our goals.”
“Teachers nurture your strengths and push you to be stronger.”
