

# Blue Mountains Peace Vigil

Sunday 24<sup>th</sup> of April, Katoomba 3pm

On April 24<sup>th</sup> we will be holding a Peace Vigil in Katoomba to pay our respect to peacemakers, mourn the devastating effects of war, and to kindle the fire of peace within our own community. Peace is an active process. Something we participate in now. It starts in our communities as we strive for justice for humanity and Mother Earth. This means respectful and honest acknowledgement our history beginning with recognition of the frontier wars and the continued struggle for sovereignty of the first nation peoples.

**3pm Peace Memorial, Civic Place:**

**Ceremony with Darug artist Leanne Tobin.**

**Words and music from musician and activist Andy Busuttill.**

**Followed by offerings of music and interactive art from our community.**

**5:30pm Lantern walk down to the Katoomba Community Garden.**

**(BYO lantern or light)**

**6pm Soup, Stories and Song by the fire at the Katoomba**

**Community Gardens.** BYO blanket, torch, chair, mug, spoon, stories and songs to share. (Please be aware there is no lighting in the garden).
