Raising Children and Young People In A Hyper-Sexualised Society Wednesday 31/8, 7pm

Our children and young people are facing REAL ISSUES. Parents need answers. At a time where parents can feel overwhelmed and powerless to address issues such as sex, dating, relationships and pornography there is a huge amount parents can do. We aim to address the intimate questions that parents have while empowering them to be an influential presence in their children’s lives. Presented by YOURCHOICEZ. This presentation is suitable for all families of the school.

The children made scones on an open fire in the old kitchen, they bobbed for apples and climbed very steep stairs to the attic bedroom.

Robyne Ridge the education officer stated "Your students were so well behaved and interested that it was incredibly easy to work with them." It was a great excursion.

**Big Kindy Gardeners**

Over the past few weeks, Big Kindy have been taking part in a little Gorilla Gardening in Wentworth Falls. We have been secretly visiting a small verge garden on Blaxland road. So far we have planted peace flags and lettuce seeds as well as giving the garden a weed and a water.

Now we are beginning to think that we could do this all over our neighbourhood! What better way to spread neighbourly peace, kindness and generosity?

Donations of seedlings or seeds would be greatly appreciated.
